From President's Desk.....

Abhoy Mission, a dynamic working set up for the mankind and people in distress, is going forward relentless and tireless aiming at its divine mission that may give birth to a new horizon ;bright and colourful for the people with disabilities, elderly Persons & other down trodden needy people, scattered all around us. We do not hanker after name and fame as we have miles to go upholding our deeds and activities all along. Irrespective of what comes ahead, we are resolute, firm and determined in our step by step forward journey that already set on the orbit 25th years back from now with the full hearted cooperation, assistance, coordination and blessings of the people, related to this organization by this way or that.

During the last Fiscal, we have taken up and materialized a lot of activities such as; Community Based Rehabilitation services to the vulnerable Elderly People, Orphan & Children with Special needs, Educational & Vocational Support to the Children & Persons with Disabilities for Employment, Self Employment & Income Generating Skill. Help line for PwDs and Senior Citizens with Ambulance services, Legal Counseling, Counseling for Niramoy Health Insurance, Legal Guardian Ship. It needs special mention that the man power development in Disability sector for proper implementation of Right to Education, our Abhoy Mission has taken an unrivaled vital role being only the RCI affiliated Organization in Tripura State. Imparting Special Education in PG Professional Diploma, B.Ed & Foundation course to in-service Govt. Teachers etc. is a significant drive. Within the purview of National Policy on Older Persons, 1999, Maintenance and Welfare of Parents and Senior Citizens Act, 2007, the Govt. have taken up different schemes and projects on priority basis keeping the social security, protection and welfare of the aged persons in view. So, the National Institute of Social Defence, Govt. of India, have authorized us as their only collaborating Agency in Tripura to undertake the activities of creating front line personnel in old age care at home, in family and community settings; various sensitization programme for community people, computer training for senior citizens etc.

I would like to convey my gratitude to our respected donors, Funding Agencies, State & Central Govt. agencies, social activists, Members of the Press, our board members, staff members and volunteers for their generous continuous support in achieving our target interventions.

I look forward for kind support and co-operation from all sections of people and related persons to serve the community in a better way for the upliftment of deserving groups of the society.

With thanks,

Community Based Rehabilitation under SaGP project, Help Age India.

It was felt necessary to provide need based family support to the aged people, living within the families. It was noticed that the aged people were not duly paid attention to their necessities, requirements and other needs by the family members due to some financial and other reasons. In such cases, Help Age India have extended their support through Sponsor a Grand Parent Programme (SaGP) from 2003 to us in order to render our help and assistance to ensure community based rehabilitation of those needy people. Naturally, under (SaGP) Project, the system of providing Food grains, clothes & garments, mosquito nets, pocket money, medicines etc. to 50 aged grandparents, is continuing on the basis of consultation and requirements of the beneficiaries. So, the security and care & protection of the older persons are ensured under SaGP Project.

**TRAINING PROGRAMMES ON GERIATRIC CARE /CARE FOR ELDERLY UNDER
NATIONAL INSTITUTE OF SOCIAL DEFENCE (NISD)**

The increase in the population of the older persons is a global phenomenon, and India is no exception. So, there is an urgent need of ensuring care to this segment of the population that would soon exceed the population of available Care Givers. Realizing the magnitude of the challenge, the Government of India, Ministry of Social Justice and Empowerment announced in January, 1999, a National Policy on Older Persons (NPOP). In question of implementation of the NPOP, the NISD has launched a Project “National Initiative on Care for Elderly (NICE) to address the needs of the older persons. The Main objective is to develop a cadre of frontline skilled/trained personnel of Geriatric Care Givers that specializes in home care family and community settings. The younger generation and others concerned with the welfare of older persons are to be encouraged to attend the needs of the older persons. Accordingly NISD has selected Abhoy Mission only in Tripura to shoulder the liability in the year 2005 to conduct the training courses. Since then Abhoy Mission has been conducting the courses. A good number of cadres have already been created by this time and they have been going on providing their services. The below noted courses and programmes are undertaken and completed during the year -

- Six Months’ Certificate Course in Geriatric Care for 30 trainees.
- One Month’s Certificate Course in Geriatric Care with a capacity of 30 seats.
- 20 Days’ Community Training in Computers for Senior Citizens with a capacity of 20 seats.

MANPOWER DEVELOPMENT IN SPECIAL EDUCATION THROUGH DISTANCE MODE

Training of In-service Teachers in Special Education is an essential effort in the field of education for Special Need Children. In as usual system of education, the teachers are teaching the normal students. Since inception of Sarva Shiksha Abhiyan in the Country, it is felt necessary to get the teachers trained in Special Education looking at the betterment of the CWSN and after the Right to Education Act. has come into force, the necessity and significance of special education has increased to a greater extent. Keeping this in view, the Rehabilitation Council of India, Govt. of India has accorded recognition to Abhoy Mission only in Tripura State to conduct the following training programmes under different Universities for manpower development.

Sl	Name of the University	Course Offered	Duration of course
1.	NORTH EASTERN HILL UNIVERSITY. (NEHU), SHILLONG	FC-SEDE trainings Course on Mental Retardation	3 months.
		B.Ed. in Special Education on Mental Retardation	2 Years
		Post Graduate Professional Diploma Course on Mental Retardation	1 year
2.	NETASJI SUBHASH OPEN UNIVERSITY (NSOU), KOLKATA	B.Ed SEDE in Special Education on Mental Retardation	2 years

It is observed that more than 33,100 Teachers in Tripura are rendering their service in the school education sector, yet, Special Trained Teachers are rare. Hence, the education of CWSN is lagging behind in comparison with other States. Now-a-days, the in-service School Teachers with the support of Tripura State Govt., are getting opportunities to gain success in the Special Education through Abhoy Mission since there is no alternative arrangement elsewhere within the Tripura State. Moreover, the State Govt. are also highly interested to get their teachers trained in Special Education through our study centre. As a result, few teachers have got trained in the above mentioned field and have created an environment of meaningful education in the field of Special Education. In Inclusive Education system, the CWSN are getting adequate opportunity to go to the normal school for gaining studies and have become able to exchange their views to each other. Thus a Bridge of Friendship has been developed between the CWSN and normal students. The details of the Courses during this year are shown below: -

FAMILY SERVICE.

Early intervention

Early intervention is the basic issue for the children with disabilities. Most of the parents do not understand what is going on to their babies. They become thoughtful about them. At this stage, we advice the parents to bring their babies to the Physician, Psychiatrist or Physiotherapist, according to the need of the babies, for their better development. At the same time the parents are also advised to handle their babies according to their needs. In some cases, we provide Trained Care Givers who go to their family and nurture their babies.

School Readiness Programme.

The parents of the children are advised to send them to either in Anganwadi Centre, Special School or in nursery well in advance, so that they can learn to get ready for school as a regular course of habit. We also deploy Care Givers to the family for preparing the babies to go to school.

Counselling.

Most rural parents have no knowledge about disabilities. We conduct advocacy & counselling programme for the parents in the habitations. Skilled persons in the field of disabilities approach the parents both individually and collectively to make them informed on different issues. Emphasize is given on the issue of collecting Disability Certificate from DDRC, Niramoy Health Insurance & Legal Guardianship etc.
